Subject: Anaconda/CFAC--Your VM

Shawn,

Thanks for your VM msg. To clarify the purpose, I'm trying to ensure that the key documents get sent to the records center for the site file. We only need to include the demand letter and the supporting documentation that was originally sent with the letter to the PRP. Plus, documentation that the first bill was paid. No need for the Spyder disk. If you want to drop off the materials, I'll get them to the records center.

Mark
